Dear Mr. BIGELBACH,

My name is Patryk P. RYBIŃSKI and I am in charge of FAD – Fathers Against Discrimination a.s.b.l. “Both Parents for All Children™”, a non-profit organization based in Luxembourg with its offices in Strassen.

Our organization has been created to become a platform of dialog to promote gender equality of chance for both parents, to stop violation of children’s rights and to assure their well-being.

As an association we believe a child should never be deprived of his natural human right to family life and equal access to both parents. Nor does anyone have the right to decide which of his parents' love has more value.

Considering the above we seek equal treatment of both parents during custody hearings in Luxembourg family courts. We support the rights of fathers and mothers to equal parenthood and successful professional career. We address the importance of family values promoting the positive impact a full and healthy family has on the upbringing of children.

We have been trying to obtain a list of judges currently residing in the family court in both Luxembourg and Diekirch Tribunals. Our understanding is that in accordance with the EU judicial system transparency law these lists should be publicly accessible allowing those interested to have free access to the information. We also understand that both lists can change every year.

In light of the above could you please provide us of with the most current list of judges residing in Luxembourg and Diekirch Tribunals and advise on a place on Internet where these lists can be obtained.

I remain available for any questions you may have. I look forward to hearing from you and thank you in advance for your reply.

Respectfully,

Patryk P. RYBIŃSKI  
President  
FAD – Fathers Against Discrimination a.s.b.l.
