Dear Ms. DUPONG,

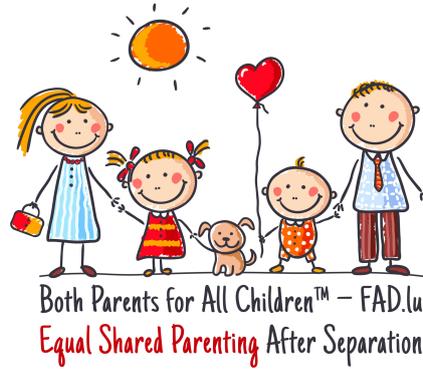

My name is Patryk P. RYBIŃSKI and I am in charge of FAD – Fathers Against Discrimination a.s.b.l. "Both Parents for All Children™", a non-profit organization based in Luxembourg with its offices in Strassen.

Our organization has been created to become a platform of dialog to promote gender equality of chance for both parents, to stop violation of children's rights and to assure their well-being. We believe a child should never be deprived of his natural human right to family life and equal access to both parents. Nor does anyone have the right to decide which of his parents' love has more value.

As an association looking after the best interest of the Luxembourg children and families we seek equal treatment of both parents during custody hearings in Luxembourg family courts. We support the rights of fathers and mothers to equal parenthood and successful professional career. We address the importance of family values promoting the positive impact a full and healthy family has on the upbringing of children.

The reason behind this correspondence is not really to introduce our organization to you. This letter is to address another matter.

Please be informed that over the course of last two years we have received numerous reports and documents regarding your public work (2012-2019), your time at ORK, your past involvement with Zonta but most importantly court decisions including your work as children's lawyer. I think it will not come to you as a surprise that most of the feedback have been presented to us by fathers.

Considering the above we would like to inform you that we will continue to monitor your activities, your proposals you present before court during custody proceedings and collect evidence associated with your work.

The days when public did not know or talked openly about gender-parental discrimination of fathers and children's rights violations in Luxembourg family courts are over. Hypocrisy will end and it is just a matter of time before the changes will be introduced.

Still, should you be interested I would like to ask if we can organize a meeting between us in order to have a chance to discuss the above. I will adjust my schedule to yours. Thank you in advance for your reply.

Most respectfully,

Patryk P. RYBIŃSKI
