Dear Mr. Mayor GREIVELDINGER,

My name is Patryk P RYBIŃSKI and I am in charge of FAD – Fathers Against Discrimination a.s.b.l. "Both Parents for All Children™", a non-profit organization based in Luxembourg with its offices in Strassen.

Our organization has been created to become a platform of dialog to promote gender equality of chance for both parents, to stop violation of children's rights and to assure their well-being.

As an association we believe a child should never be deprived of his natural human right to family life and equal access to both parents. Nor does anyone have the right to decide which of his parents' love has more value.

Considering the above we seek equal treatment of both parents during custody hearings in Luxembourg family courts. We support the rights of fathers and mothers to equal parenthood and successful professional career. We address the importance of family values promoting the positive impact a full and healthy family has on the upbringing of children.

Being a non-profit organization based in Strassen we would like to know if it is possible for us to participate in the Annual Strassen Christmas Market this year and just like many other Strassen based ASBL associations have a wooden stand for our use during the above-mentioned event where we could offer to the citizens of Strassen different type of cuisine and have an opportunity to introduce our name as well as cause.
