Dear Ms. DU BOIS,

My name is Patryk P. RYBIŃSKI and I am the President of FAD – Fathers Against Discrimination a.s.b.l. “Both Parents for All Children™”, a non-profit organization based in Luxembourg with its offices in Strassen.

Our organization has been created to become a platform of dialog to promote gender equality of chance for both parents, to stop violation of children’s rights and to assure their well-being.

As an association we believe a child should never be deprived of his natural human right to family life and equal access to both parents. Nor does anyone have the right to decide which of his parents' love has more value.

Considering the above we seek equal treatment of both parents during custody hearings in Luxembourg family courts. We support the rights of fathers and mothers to equal parenthood and successful professional career. We address the importance of family values promoting the positive impact a full and healthy family has on the upbringing of children.

Our understanding is that along with your main professional function being an avocat à la cour you were also involved in Zonta activities for number of years and you are currently hold a position of a vice-President of Commission consultative des Droits de l'Homme.

Considering your experience and the feedback received from different parents regarding your work as a lawyer we would like to know if we can organize a meeting allowing us to introduce ourselves, ask a few questions and if possible seek advice from you. We will adjust our schedule to yours. Thank you in advance for your reply.

Most respectfully,

Patryk P. RYBIŃSKI  
President  
FAD - Fathers Against Discrimination a.s.b.l.
