Dear Mr. BIGELBACH,

My name is Patryk P. RYBIŃSKI, and I am in charge of FAD – Fathers Against Discrimination a.s.b.l. "Both Parents for All Children", a non-profit organization based in Luxembourg.

We have been trying to obtain a list of judges currently residing in the family court in both Luxembourg and Diekirch Tribunals. Our understanding is that in accordance with the EU judicial system transparency law these lists should be publicly accessible allowing those interested to have free access to the information. We also understand that both lists can change every year.

Considering the above could you please provide us of with the most current list of judges residing in Luxembourg and Diekirch Tribunals. Should our inquiry be outside your competences could you kindly provide us with contact details for an administrative office in the Luxembourg Court that has the list. Alternatively, please let us know if there is Luxembourg Court or government website a resident or a citizen of the Grand Duchy can obtain such information from?
